Dear Krystle,

It's National Volunteer Week, and we wanted to take a moment to recognize and appreciate the incredible people who have helped us make an impact. **Check out the infographic above for the amazing numbers our volunteers have helped generate.**

As we celebrate Partners for Mental Health's fifth anniversary this April, we know we couldn't have achieved what we have without the tireless efforts and support of our volunteers throughout Canada.

Thank you, volunteers, for organizing events in your communities, speaking up about the issue, and raising funds to fuel our work. It is truly the actions of individuals like you that are powering the change in Canada's mental health.

Sincerely,

Jeff Moat
President, Partners for Mental Health
